

## **Familiennamen der Personen in der vorliegenden Personendatei**

Noms de famille des personnes apparaissant dans le présent fichier.

Die Familiennamen wurden so übernommen, wie sie in den gefundenen Akten (Heiraten, Sterbefälle und Geburten) von den jeweiligen Beamten geschrieben wurden. Dabei wurden wohl viele Namen nach Gehör und Gutdünken des Beamten geschrieben, so dass diese Familiennamen in verschiedenen Schreibweisen auftauchen. Beispiele von vielen: Mouseler, Mouzeler, Museler, Museller ; Schmid, Schmidt, Schmit, Schmitt, oder Vagner, Wagner, Wagener und viele andere. Es gilt also, alle diese Schreibweisen zu beachten. Zudem sind in der nachfolgenden Liste natürlich auch die Namen von Personen angeführt, die aus dem übrigen Frankreich nach Paris gekommen sind und dort geheiratet haben.

Les noms de famille ont été repris tels qu'ils ont été écrits par les fonctionnaires concernés dans les actes trouvés (mariages, décès et naissances). De nombreux noms ont sans doute été écrits à l'oreille et au bon vouloir du fonctionnaire, de sorte que ces noms de famille apparaissent sous différentes orthographes. Des exemples parmi tant d'autres : Mouseler, Mouzeler, Museler, Museller ; Schmid, Schmidt, Schmit, Schmitt, ou Vagner, Wagner, Wagener et bien d'autres. Il convient donc de tenir compte de toutes ces orthographes. De plus, la liste ci-dessous contient bien sûr aussi les noms de personnes venues du reste de la France et qui se sont mariées à Paris.
